Youth Entrepreneurship Strategies

PROMOVER EL CARÁCTER EMPREENDEDOR

Se trata de fomentar en el sistema educativo las actitudes y habilidades de los jóvenes para el autoempleo, mediante el desarrollo de cualidades personales -creatividad, responsabilidad, toma de riesgos, resolución de problemas, trabajo en equipo- así como conocimientos de negocios relevantes acerca de cómo crear y dirigir una empresa.

OUR ENTREPRENEURSHIP EDUCATION DEFINITION

Fostering within the education system, the attitudes and skills of young people to self-employment, by developing personal qualities -such as creativity, responsibility, risk-taking, problem-solving, team-working- and relevant business competencies on how to create and run an enterprise.

overall objectives

To improve policies on a national, regional and local level, regarding integration of entrepreneurial learning in the education systems, as well as to build awareness and a positive attitude around Youth Entrepreneurship in Schools.

objetivos

Mejorar las políticas a nivel nacional, regional y local de forma que integren el emprendizaje dentro de los sistemas educativos, así como concienciar y generar una actitud positiva hacia el espíritu emprendedor en los colegios e institutos.

program

¿Did you know...

Young entrepreneurs are key to all European Regions' prosperity, since they constitute the main future employment and wealth generators.

Entrepreneurship is one of the European Union's defined key competences for lifelong learning.

Entrepreneurship is an opportunity that may help young people to achieve personal and professional goals.

¿Sabías que...

Los jóvenes emprendedores son fundamentales para la prosperidad de todas las regiones europeas, ya que constituyen la principal fuente de trabajo y riqueza.

El emprendizaje es una de las competencias clave definidas por la Unión Europea para el aprendizaje duradero.

El espíritu emprendedor es una oportunidad que puede ayudar a los jóvenes a alcanzar objetivos personales y profesionales.
